Help keep up your soldier's morale---

Every soldier takes with him two picture his uniform. He carries the other deep in h

To every man that image is different; ye soft breezes in happy places, star-light and p the picture the soldier must hoard against th form the pattern of his dreams.

Citizen Committee Seeks Defeat Of Proposition 1

The Citizens Committee for the Four Freedoms, waging an intensive campaign for the defeat of Proposition No. 1 on the November ballot urges an overwhelming "NO" vote. As the fight against Proposition No. 1 develops with greater fury, it becomes more strikingly evident that the issue is Democracy versus Totalitarianism. Backers of the bill have yet to offer any proof whatsoever that this is not true, and that this is the conviction of every alert, freedom-loving citizen in California is being demonstrated by the entrance into the fight against Proposition No. 1 of members of the clergy, civic leaders, club women, professional people, and even employers, say opponents of No. 1.

"It has long been a common practice on the part of the strategists of Minority Rule to break up the people into many segments, and then to initiate moves against that part which in their opinion is unpopular and against which the rest of the population can be mobilized. Therefore, figuring quite correctly at the time and from their standpoint, these minions of Dictatorship cleverly and ruthlessly quarterbacked the Slave Bill through the Legislature so as to protect the interests of the privileged people in this state," stated those leading the campaign against Proposition No. 1.

"In reality, and stripping the whole question right down to the bone, Proposition No. 1 would protect monopoly and foster procedures which would be counter to the interests of the consumers of this state. In no imaginable shape or form could the consumers of California—and after all, they are the people — benefit from this meaure. On the contrary, they would be the very ones to suffer most if it became a law," the spokesman concluded.

SAFEWAY *Homemakers' Guide*

★ *How to enroll in the "Kitchen Course in Nutrition"* ★ *Why farm-fresh produce should be sold by the pound* ★ *A list of flour and baking needs* ★ *Recipes for home-baked rolls*

Delight your family with these recipes for home-baked rolls

War times have revived interest in good plain cooking, and homemakers are beginning to do more of their own baking. There's nothing like the fragrant aroma of fresh homemade bread or rolls baking in the oven to quicken already hearty fall appetites. And really, making your own rolls is easy, especially if you use the recipe for REFRIGERATOR ROLLS given below. These rolls have a decided advantage over most yeast breads, because the dough can be made several days in advance, then shaped and baked as you want. Simply cover the dough, in one mass and store in the refrigerator. About 1 hour before you want to serve rolls, take the dough from the refrigerator; let rise about 30 minutes; knead and shape into rolls; and bake another 30 minutes. That's all there is to it.

REFRIGERATOR ROLLS

7 cups all-purpose flour
2 cups milk
4 tbsps. sugar
4 tbsps. shortening
2 tsps. salt
1 cake fresh yeast

Sift flour and measure. Heat milk. Place sugar, shortening, and salt in large bowl; add hot milk; stir until shortening is melted; cool to lukewarm, about 15 minutes. Add crumbled yeast; mix well. Add flour; stir until dough leaves sides of bowl. Cover bowl with damp cloth; let rise in warm place until light and double in bulk, about 2 hours. Punch down. Place on lightly floured board; knead until dough is smooth. Mold into desired shapes. Place on greased baking pan. Cover with damp cloth. Let rise in warm place until double in bulk, about 30 minutes. Brush with glaze mixture of 1 part sugar and 2 parts milk. Bake in moderately hot oven (425° F.) 15 minutes, or until done. Makes about 3 dozen rolls.

To Store: Punch down dough after first rising. Cover tightly and place in refrigerator.

SHAPING THE ROLLS

You can shape rolls as you wish, making them dainty or man-sized. Keep in mind, however, that they'll double in size during the final rising. For soft rolls, place them almost touching each other on the baking pan. For crusty rolls, give each one space enough to double in size without crowding.

Vote 'YES' ON PROPOSITION NO. 1

DO NOT BE CONFUSED

The measure which appears as STATE PROPOSITION NO. 1 on the November 3 ballot was adopted as a WARTIME REGULATION by a two-thirds majority of the California State Legislature at its 1941 Session.

The vote was 33 to 5 in the Senate and 54 to 26 in the Assembly.

The State AFL has prevented the law from going into effect by circulating referendum petitions and thereby placing the measure on the November 3 ballot for the people's vote.

There may be some confusion in the minds of the voters as to how they should vote to uphold the State Legislature and to put into operation this much-needed law. You can not go wrong if you simply remember this:

If you believe that the pernicious practice of "Hot Cargo" and the Secondary Boycott should be suspended for the duration of the war, vote "YES."

Most of the disputes where the Secondary Boycott was used were jurisdictional disputes—labor unions fighting amongst themselves—disrupting industry and the war effort.

REPORT GAINS IN CAMPAIGN FOR MACARTHUR

Reports of ever-increasing gains in the campaign of Ralph C. MacArthur for San Mateo County Tax Collector are being received from every section of the county almost daily, according to J. E. McCurdy, prominent San Mateo attorney and director of the MacArthur campaign.

"Particularly are the women of the county working actively for the election of MacArthur," McCurdy declared, adding that women's groups have been organized in several sections of the county. McCurdy paid high tribute to the women for their untiring efforts in the campaign.

Pointing out that some of this county's best known citizens are actively supporting the MacArthur candidacy, McCurdy said the trend of opinion seemed to be that the county should, especially in times like these, get the best trained men possible for public office. Some of MacArthur's greatest strength, the campaign director reported, comes from the commuting population, where his training and experience in this type of work seems to be widely known.

From MacArthur himself, who is touring the county on behalf of his election, comes reports that he is deeply impressed with the reception he is being accorded in every part of the county. He expressed gratitude for the fine volunteer support he said he is receiving from every community.

"It is most heartening to me," MacArthur said, "to find such an impressive response to my candidacy for tax collector of the county. My friends are working very actively on my behalf in every section of the county, and I am grateful indeed."

American Way Stressed By P. T. A.

Throughout the music, drama, and information presented to Seventeenth district, C. C. P. T. sessions, last Thursday, in South San Francisco, privileges of the American way of life were stressed. At South City Junior-Senior high school and the Community church members of 33 units received a friendly welcome. Program arrangements were made by Mrs. E. C. Peck, director of the district public welfare department.

Several delegates from Daly City and Colma P. T. A. units attended the South San Francisco event.

President Mrs. Stella L. Jensen will represent Seventeenth district in a coordinating council for San Mateo county with the state department of public health. The proposed council will consider defense health hazards.

YES ON 6

LET'S BE FAIR - - -

Nearly 8000 FAIR MINDED MEN AND WOMEN signed the initiative petition which placed on the November 3 ballot PROPOSITION NO. 6, the Civil Service Amendment.

The signers of that petition were a cross section of San Mateo County's electorate. They came from the ranks of businessmen, county officials, commuters, laboring men, housewives, members of civic clubs and tax saving organizations.

They realized that our county employees are now working under the OBSOLETE PATRONAGE SYSTEM and that such a system must be completely eliminated from our county government and replaced with a MERIT SYSTEM. Civil Service provided that MERIT SYSTEM.

You, as a taxpayer and a voter, will feel as did those nearly 8000 petition signers when you realize that:

No matter how efficient or faithful a county employee in your county system may be, he or she CAN BE DISMISSED WITHOUT CAUSE OR REASON AND WITHOUT A HEARING.

When old age makes further employment in county service prohibitive, the county employee is TURNED OUT WITHOUT THE COMMON STATE AND FEDERAL BENEFITS ENJOYED BY MOST PERSONS IN PRIVATE INDUSTRY.

BECAUSE THEY ARE PUBLIC EMPLOYEES . . . OUR COUNT EMPLOYEES DO NOT BENEFIT FROM SOCIAL SECURITY OR UNEMPLOYMENT INSURANCE.

Several of OUR OWN SAN MATEO COUNTY CITIES HAVE ADOPTED CIVIL SERVICE FOR THEIR EMPLOYEES.

Adoption by the voters of PROPOSITION NO. 6 would eliminate our present patronage system and stabilize county government.

Adoption of this Merit System means that so long as the county employee is giving the taxpayer EFFICIENCY ON THE JOB, he or she will remain on the job.

Should there be cause for demotion, suspension or dismissal an employee has the right to a hearing in such a case before A NON-POLITICAL CIVIL SERVICE COMMISSION.

A retirement system is provided for county employees which becomes effective one year following adoption of the measure.

Applicants seeking county employment subsequent to the adoption of the amendment must qualify first in examinations conducted by the State Personnel Board.

This proposition DOES NOT include elective county officials.

In conclusion let it be said in behalf of the San Mateo County Employees that they are ONLY ASKING FOR WHAT IS FAIR—A CHANCE TO SERVE YOU, THEIR TAXPAYER EMPLOYERS, UNDER A MERIT SYSTEM WHICH WILL DEFINITELY STABILIZE COUNTY GOVERNMENT AND GIVE YOU MORE FOR YOUR TAX DOLLAR.

Let's be FAIR TO OUR EMPLOYEES BY VOTING FOR PROPOSITION NO. 6, THE CIVIL SERVICE AMENDMENT.
